To Whom It May Concern:

The Kittitas County Chamber of Commerce strongly endorses The Leadership Coalition and its founder Shawn Palmer. Shawn's May 2017 presentation to our Leadership Kittitas County program was one of the most effective and educational in its 21-year history. Shawn not only explained the diverse forms of leadership, he also led the group through a series of exercises that illustrated leadership in action. Afterward, several of the participants stated that it was one of the highlights of their time in the program.

We highly recommend Shawn Palmer and The Leadership Coalition. Please feel free to contact me with any questions.

Sincerely,
